We're proud to offer *ShowerGuard* glass from Guardian. *ShowerGuard* protects against hard water, heat, humidity, soap, and other factors that can discolor and corrode shower glass. Ask our representatives for more information.

**Step 4. Choose Your Hardware Colors and finishes**

Availability of colors may vary. If you are undecided, visit the shower hardware page on our website for a link to an interactive module that will let you see how the finishes look in a shower.
