We're proud to offer *ShowerGuard* glass from Guardian. *ShowerGuard* protects against hard water, heat, humidity, soap, and other factors that can discolor and corrode shower glass.
 Ask our representatives for more information.

Step 4. Choose Your Hardware Colors and finishes

****Hardware lead time may vary according to availability.*

Availability of colors may vary. If you are undecided, visit the shower hardware page on our website for a link to an interactive module that will let you see how the finishes look in a shower.
